REQUEST FOR CORRECTION OF FILING RECEIPT

Sir:

Applicant respectfully requests the correction of an error in the Filing Receipt for the above-identified patent application.

In addition to British priority application GB9715942.0 which is listed on the Filing Receipt, the subject application also claims foreign priority under 35 USC §119 to British priority application GB 9727103.5, filed December 22, 1997. However, the Filing Receipt does not list British priority application GB 9727103.5. Accordingly, Applicant respectfully requests that a corrected filing receipt showing all the foreign priority application information as claimed by Applicant be sent to Applicant's undersigned representative.
